Operable Unit No. 2 Corrective Measures Study/Feasibility Study Technical Memorandum
No. 1

Sue G. Stiger, Program Director
Environmental Restoration Project
EG&G Rocky Flats, Inc.

A meeting was held with your Operable Unit No. 2 (903 Pad, Mound, and East Trenches;OU) staff on December 21, 1994. The purpose of the meeting was to discuss the "target" values for the OU 2 Preliminary Remediation Goals/Remedial Action Objectives (PRG/RAO) for the Corrective Measures Study/Feasibility Study (CMS/FS). The "target" value PRG/RAO is to be delineated in the OU 2 CMS/FS Technical Memorandum No. 1 (TM).

The Rocky Flats Field Office's Future Site use Working Group has agreed to eliminate residential uses from the future use plan (based upon their December 8, 1994, draft meeting minutes). Therefore, "target" PRG/RAOs should not consider residential use for the OU 2 CMS/ES TM 1.

TM 1 should address this issue by providing a brief discussion regarding the decision to exclude the future on-site residential land use scenario.

If you have any questions please contact Scott Grace at extension 7199.
